New Procedures and adidas Brand

Rush Pikes Peak Soccer Club and Rush Soccer have recently changed brands to adidas beginning Fall 2013. Our developmental program will be grandfathering in the uniforms with the goal of having all developmental players in adidas by Fall 2015. Players may wear their old uniforms up until Fall 2015. If players need new uniforms they will be purchasing adidas. Teams may have both brands for a few seasons.

Purchasing

We will not be selling developmental uniform kits through our office beginning Fall 2013. Each family will purchase through an online store – Eurosport.

The store can be found by clicking here.

The uniforms are a blue and white jersey and black shorts and blue socks. ***Please note that the ordering store shows this option under the U7-U18 tab though the uniform is available for players U4-U6 as well. You will need to order each item individually, they are not sold as a pack.***

Uniform samples are available for players to try on in the Rush Pikes Peak Office during normal business hours.

To ensure uniforms arrive from Eurosport prior to first games orders must be placed prior to August 1, 2013.
