

This past weekend Rush Pikes Peak had 5 players represent the club at a Rush Select event in Decatur, Alabama. Torrie Brodish, Chantae Steele, Stephanie Deines, Hailey Peterman and Brook Buzzell all attended the Open Cup as members of the Rush Select National Teams. Torrie and Chantae played with the U13 Select Girls (coach by Rush Pikes Peak DSO Brian Lux) and Steph, Hailey and Brooke played for the U17 Select Girls.

"This is a very cool program, and one that no other club in the city or state can offer. Our girls from the Springs got to play with players from 10 other states at a national event. This is a great honor for them and we are very proud of them," said Lux.

See below for some picture of the girls from the weekend. Congratulations girls!
