Rush Soccer

In 2003, the Rush brand began its expansion, first forming the Virginia Rush. Since that time, Rush Soccer has grown to 30 clubs in the United States and a membership of nearly 40,000 players nationwide. In mid July of 2009 Rush broke the mold yet again by starting a Rush affiliate 9600 miles from it's original home in Colorado, by forming the Nkomazi Rush in South Africa. International clubs have grown at an overwhelming pace and number more than two dozen clubs in Africa, South and Central America, Oceania and the Carribean Islands.

2013 proved a big year for Rush Soccer with the switch over to new apparel & uniform provider [adidas](#), and a sponsorship with [Chevrolet](#). With partnerships like ours, it's no wonder Rush Soccer is a leader in youth soccer worldwide!
