

Four members from the Rush Pikes Peak U14 Boys Nike team represented Colorado at Region IV ODP Camp this past week. Griff Lloyd, Thomas Staines, Sam Alvarez and Sean Halverson all represented Colorado in McMinnville, Oregon, fresh off their season where they were State Cup Finalists and Premier 1 League Champions. The boys all had a great experience and from this pool of 250 players across Region IV, Sean Halverson was selected to be in the final 37 players to be part of the Region IV Pool. Sean will travel to Ontario, California for a week long camp at the end of July for a chance to be picked in the final 18 for the Region IV team.

Congratulations to all of the boys, and good luck to Sean moving forward!
