

Each year, Rush Soccer selects the best players and coaches to participate in the Rush Select Program. Each year the teams are selected to participate in the President's Day Tournament (PDT) in Phoenix, Arizona. Rush Pikes Peak was very well represented at last weekend's event! The U14 Boys Rush Select Team won the championship for the second year in a row, the U15 Rush Select Girls made the quarterfinals and the U13 Rush Select girls made the semifinals. Please see below for the players and coaches that represented Rush Pikes Peak with this year's Rush Select Program. Congratulations to all the players and coaches for their hard work!
