

May 25, 2011 marked the launch of the Woodland Park branch of Rush Pikes Peak Soccer Club. Rush sent a couple of directors of coaching to work alongside the Woodland Park High School coaching staff and players to run a free kick-around for players aged 5-14. Held at the beautiful Meadow Wood Sports Complex, over 50 players showed up in the warm spring sunshine to meet and learn from the Rush coaches. The evening was a huge success, and the foundation is definitely set for something special for the players of Woodland Park and all of Teller County.
