We offer developmental soccer programs for boys and girls ages 4-11. Our seasonal year runs from August 1 - July 31. Your child's birthdate will determine the age group they are in. For example, a player that turns 6 between August 1 and July 31 in a given year will play U6 during that seasonal year, a player that turns 9 in that time would play U9. See below for pricing, schedule and uniform information:

In House Developmental

This program is run by the club to give players their first opportunity to play in a team setting. Our U5/U6 players play 3 versus 3, U7/U8 players play 4 versus 4 and our U9/U10 players play 6 versus 6. They will play 7-8 games per season, and will train once a week with their head coach and once a week with their Director of Coaching.
